THAT'S GOOD~ PERFECT!
HOW LONG ARE YOU GOING TO STARE AT THE MIRROR?
I THOUGHT YOU WOKE UP EARLIER THAN USUAL AND YOU SPEND IT ALL ON PREPARATION?

PHEW. SHOULD I CALL IT A FORTUNE? SHE'S FINE AFTER A NIGHT'S REST.
I WAS REALLY WORRIED THAT SHE LL STILL BE HURT FROM YESTERDAY
EVERY-THING BELONGS TO SENU
I'VE DECIDED
I WILL EXCEL IN EVERYTHING.
I'LL BECOME SO PERFECT THAT NOBODY CAN IGNORE ME.

WHY SO SUDDEN
LIKE SENU –
NO, I'LL BECOME A MUCH BETTER PRINCESS THAN SENU.
I REFUSE TO ACCEPT IT
THEN MAYBE, I'LL BE ABLE TO GET ONE THING THAT BELONGS TO SENU..
MAYBE I'LL BE ABLE TO GET AKI.
THAT I WAS ABANDONED FROM THE VERY BEGINNING, AS IF I HAD NOTHING I DO NOT LIKE IT

SO I'LL TRY HARDER, AND I'LL NEVER GIVE UP.

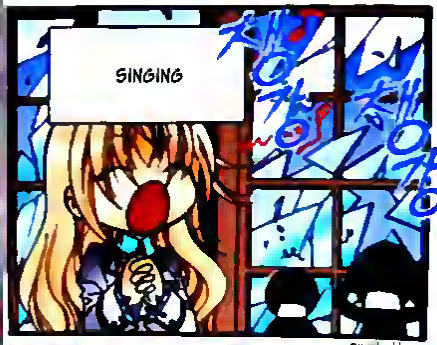
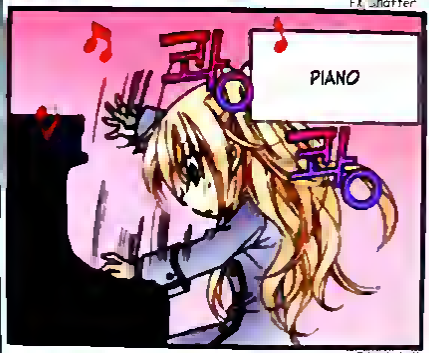
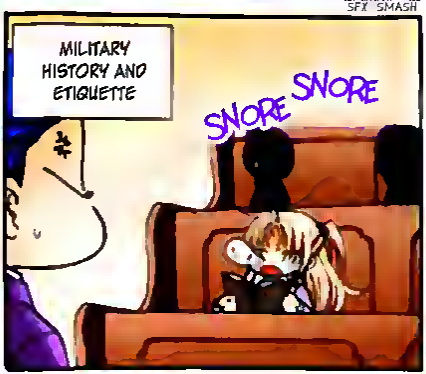
Thank you for reading!

HOWEVER...







SPORTS (BATTLE)
THE LONG ROAD TO PERFECTION...
HAVE YOU SEEN THE REPORT CARD?
THESE AREN'T REALLY THE REPORT CARDS IT IS JUST THE TEACHER'S COMMENTS ON THE ACADEMIC ACHIEVEMENTS---
BUT IT'S STILL IM-PORTANT
IF THEY SAID ANYTHING BAD, MY MOM WOULD KILL ME
.....

Math	A genius, she's already well above university level. Have you ever thought about taking a career in mathematics?
Science	The star of the scientific community. I highly recommend her to become a scholar in this field
Literature	Do you think reading a book is just about recognizing words?
Etiquette	...Do you despise me? Do you hate me that much? Why do you do this to me?
Common sense	Now let's count the number of common sense you actually do have. I'm sure I can count them on my five fingers. Let's start from there.
Sports	To have that much strength and still be so terrible at sports... I can only say that god made a mistake. She's a lost cause.
Military history	Alchemy...

WHAT DID YOU DO! HOW DARE YOU THROW PAPERS AT SENU-NIM~~~
WHO TOLD YOU SHOULD BE THERE? I THOUGHT IT WAS THE GARBAGE CAN SINCE THERE ARE SO MANY FILES IN THAT CORNER

ONLY I CAN TOSS AWAY SOMETHING THAT BELONGS TO ME AND ONLY I CAN PICK IT BACK UP. THIS IS NONE OF YOUR CONCERN
